A SMART ALTERNATIVE TO BEING ON YOUR PARENTS' INSURANCE

Cover on a full or provisional licence

No scrambling around to find a new policy once you pass your test, and the price of your policy won't go up!

Earn your own No Claims Discount

With this policy you'll start earning your own No Claims Discount, which you wouldn't as a named driver on another policy - helping you to reduce the costs once you get your own wheels.

No risk to your folks' No Claims Discount

We hope you won't need to make a claim, but if you do, mum and dad's No Claims Discount won't be affected.

Black box technology

Our clever black box enables you to instantly review your journeys and develop your safe driving skills, with no curfews on when you can drive!

Easy monthly payments

We know it can be pricey business getting on the road, so you can spread the cost by paying monthly!

Ideal for occasional use

Perfect for borrowing your parents' car to get out and about, or to get extra practice if you're still learning to drive!
